

# R-9720

Remote Mount Condenser (39,000 BTU)

CONSTRUCTION • MINING • AGRICULTURE

The R-9720 is the industry's most versatile and rugged remote-mount condenser. Its unique design allows installation on a horizontal surface or mounted below a roof or floor panel simply by changing two hose connectors. Suitable for off-highway applications, commercial trucks, or specialty vehicles where a radiator-mount or rooftop condenser cannot be used.
